HISTORY OF OKLAHOMA STATE UNIVERSITY

The story of Oklahoma State University began on Christmas Eve, 1890, at the McKennon Opera House in Oklahoma's territorial capital of Guthrie when Territorial Governor George W. Steele signed legislation establishing an Oklahoma Agricultural and Mechanical College (OAMC) in Payne County. OAMC's first students assembled for class on December 14, 1891, even though there were no buildings, no books, and no curriculum. The college's first students attended classes in the Stillwater Congregational Church. The original campus consisted of 200 acres of prairie that were donated by four local homesteaders. The college's first six graduates received their diplomas in 1896.

Visitors to the OSU campus often marvel at its beauty and consistency of architecture. Much of the credit goes to legendary president, Henry G. Bennett, who served from 1928-1951. Dr. Bennett's 25-year campus master plan envisioned some of the university's most famous and beautiful structures, including the Edmon Low Library and the OSU Student Union. Under the direction of OSU President Burns Hargis, a new campus master plan is guiding unprecedented construction that is making OSU more competitive in academics and athletics. Starting in the fall of 2008, OSU has opened the Multimodal Transportation Terminal, the North Classroom Building, the west end zone of Boone Pickens Stadium, refurbished Old Central, the Donald W. Reynolds Architecture Building, an upgraded Murray Hall, the Henry Bellmon Research Center, an updated and expanded Student Union, the Greenwood Tennis Center, the north wing to the College of Human Sciences building, an upgraded Atherton Hotel in the Student Union, the innovative University Commons residential complex and dining facility, the crescent-shaped business building, and the world-class ENDEAVOR facility for interdisciplinary research. Hall of Fame Avenue on the north and University Avenue on the south, as well as core north-south artery Monroe Street, have all been significantly upgraded, and the university continues to update its campus landscape plan, including the addition of a Welcome Plaza southeast of the Student Union. Opening in the fall of 2019, the McKnight Center for the Performing Arts.

OSU grew quite rapidly following World War II. The post-war years were marked by a huge enrollment surge and the thriving "Veteran's Village" on the northwest edge of campus as veterans and their families moved into surplus military housing provided by the college. The mid-1940s also were a golden era for athletics at Oklahoma A&M. In a 90-day period in early 1945, OAMC teams won the Cotton Bowl, the NCAA championship in wrestling, and the NCAA championship in basketball. In 2016, the undefeated 1945 football team was retroactively awarded the national championship trophy by the American Football Coaches Association. In 1946, the wrestling and basketball teams repeated as national champions, and the football team won the Sugar Bowl.

Coaches and players from that era are now sports legends. Coach Henry Iba set a national standard in basketball and Edward Gallagher took OAMC wrestling teams to international prominence.

People often ask when OSU made the transition from college to university. By the 1950s the college had grown substantially. Suggested names for a "new" institution were "Great Plains University," "International University," and "Atomic University." In 1957, OAMC became The Oklahoma State University for Agriculture and Applied Science. During the next three decades, OSU would build academic programs to match its new status. Enrollment more than doubled from 10,385 in 1957 to more than 23,000 in the 1980s. OSU became a statewide university system, adding branches in Okmulgee in 1946 and Oklahoma City in 1961. OSU merged with the Oklahoma College of Osteopathic Medicine in 1988, and OSU-Tulsa was born in 1999.

Today, OSU has 35,000 students across five campuses and a presence in every Oklahoma county through its extension offices and experiment stations. From six graduates in 1896, to 5,000 annually today, the small college on the prairie has grown and prospered far beyond the dreams of its founders. OSU teaching, research and graduates are making a bigger impact on the lives of people around the world than ever before. It's a great time to be a Cowboy!

MESSAGE FROM THE PRESIDENT

This is a momentous day on the beautiful campus of Oklahoma State University.

As an Oklahoma State University graduate, you join a long list of successful men and women who have gone before you. For decades, OSU graduates have used their creativity and passion to make an impact on our world. We know each one of you is prepared to boldly go forward and find your own success.

We are honored to welcome all the family and friends that are here to join in this wonderful and meaningful accomplishment. We are thankful your graduate chose OSU. You should be extremely proud of the role you played in his or her success.

The entire OSU community – faculty, staff, alumni and donors – takes special pride in watching our students walk across the stage. This is the day that makes all our work worthwhile. OSU exists to help our students pursue their dreams and today we all rejoice!

Congratulations. Best wishes. Go Pokes!

Sincerely,

A handwritten signature in black ink, reading "Burns Hargis". The signature is written in a cursive, flowing style.

Alma Mater Hymn of Oklahoma State University

Words by Robert McCulloch, '49

Proud and immortal, Bright shines your name;
Oklahoma State, We herald your fame.
Ever you'll find us loyal and true,
To our Alma Mater, O. S. U.

Oklahoma

Written by Oscar Hammerstein II

Music by Richard Rodgers

Oklahoma, where the wind comes sweepin' down the plain,
And the wavin' wheat can sure smell sweet
When the wind comes right behind the rain.
Oklahoma, ev'ry night my honey lamb and I
Sit alone and talk and watch a hawk makin' lazy circles in the sky
We know we belong to the land
And the land we belong to is grand!
And when we say -Yeeow! A-yip-i-o-ee-ay!
We're only sayin' You're doin' fine, Oklahoma!
Oklahoma - O.K.

Jack Allen
Chairman, Hub International CFR

Jack is both a dedicated insurance and risk management professional and a creative manager who embraces change and business evolution. He is a staunch advocate of both individual attainment and corporate team building. He is the author of *The Little Red Hen in Corporate America* (new lessons from an old fable). The National Alliance for Insurance Education and Research and *Rough Notes* magazine has voted Jack one of the 25 Most Innovative Agents in the Country. This award is based on

technological leadership, superior relationship-building ability, leadership in education and the community, and creativity in solving problems for clients.

He began his career in 1970 at The Hartford Insurance Company. He joined CFR in 1976 and purchased the firm in 1986. While he has assumed many leadership responsibilities, he continues to work directly with clients to analyze needs and create effective programs.

Under Jack's leadership, the firm's accomplishments include being chosen one of the Best Places to Work in Oklahoma, and winning a national award from *Rough Notes* magazine for Marketing Agency of the Year. In 2013, CFR joined HUB International to broaden the firm's capabilities and increase opportunities to serve a broader range of customers.

A passionate belief that education can be transformed by both individual and corporate involvement is central to many of Jack's personal and financial commitments. This has led him to be recognized as a Hero of Education by Great Expectations, an organization that trains educators to inspire and motivate students.

In 2002, Jack established the Jack Allen Family Education Foundation in order to further support his goal of improving public education. This foundation has made significant contributions to many education related needs including endowed chairs, scholarships, teacher excellence awards, building projects and special educational programs.

Further, Jack is a regular guest speaker at university classes on the topics of diversity, vision, innovation and management methodology. He has taught in the OSU-Tulsa MBA program on Contemporary Management and has been a guest lecturer for the Meinders School of Business. Jack also serves on the Board of Advisors for the Riata Center of Entrepreneurship.

Jack is a graduate of Oklahoma State University School of Business and serves on the Board of Governors for the OSU Foundation. He was elected to the OSU School of Business Hall of Fame, Spears School of Business 100 for 100 and the OCU Business School Hall of Fame and is a member of Sigma Chi Fraternity. He has been selected to deliver the 2019 OSU Spears School of Business commencement address.

In 2015 Jack was the Chairman of the OSU Tulsa Stately Affair raising over \$6,000,000 for student scholarships. In 2016 he became a Project ECHO advisor with the goal of creating a \$1,000,000,000 endowment.

He was a founding director in Summit Bank of Oklahoma, a member of the Advisory Board to Hillcrest Hospital in Tulsa and Green Country Boy Scouts. He was the 2014 Alzheimer's Gala chairman.

**David A. Cockrell
Optometrist, Cockrell Eyecare Center**

David A. Cockrell, O.D., Diplomate American Board of Optometry, is a native Oklahoman from Red Rock, Oklahoma. He completed his Bachelor's degree in Zoology at Oklahoma State University in 1976 and received his Doctor of Optometry degree from the Southern College of Optometry in 1981. He was a member of the Oklahoma State University Flying Aggie flight team during his time at OSU.

He and Dr. Cherry Cockrell opened their practice, Cockrell Eyecare Center, in Stillwater in 1981. Dr. Cockrell has been an active member of his local, state and national organizations and served in leadership positions as president of the Southwest Council of Optometry, president of the Oklahoma Association of Optometric Physicians, and president of the American Optometric Association. He has also served as chair of Optometry's board certification program, the American Board of Optometry. He also currently serves as Advocacy Group Chair for the American Optometric Association.

Dr. Cockrell has lectured throughout the United States on primary eyecare topics and has provided professional testimony to U.S. Senate Committees, the Oklahoma Senate and House of Representatives, as well as to many other U.S. State legislative and administrative bodies.

Dr. Cockrell has also been active in the community, having served on the Board of Directors for the Stillwater Rotary Club, as a Charter Member and Past President of Stillwater Group Homes, and as a Director of the Stillwater Chamber of Commerce. He has also served on the Stillwater Public Education Foundation and has held many volunteer positions in youth sporting activities in the community. He has most recently served as member and Chairman of the Stillwater Regional Airport Authority and as a member of the Stillwater Medical Foundation.

He is married to Dr. Cherry B. Cockrell, and they have two grown children, both Oklahoma State University graduates.

COLLEGE OF HUMAN SCIENCES/COLLEGE OF ENGINEERING, ARCHITECTURE, AND TECHNOLOGY CEREMONY COMMENCEMENT SPEAKER

Rick Muncrief
Chairman/CEO, WPX Energy

Rick joined WPX in 2014 identifying ways to transform the company's culture, portfolio & drilling inventory. He developed a strategy to increase oil production and expand WPX's cash margins. WPX is on track to produce more than 100,000 barrels of oil per day in 2019.

WPX's enterprise value has grown by several billion since Rick's arrival. Oil sales of nearly \$1.8 billion accounted for 88% of all product revenues in 2018. Oil volumes grew 57% last year.

Rick has overseen \$8 billion of transactions to shift WPX's focus from natural gas to oil. He led WPX's entry into the Permian Basin, including the \$2.75 billion acquisition of RKI E&P. WPX also formed a 50/50 joint venture to develop midstream infrastructure in the Permian Basin.

Rick is the Chairman of the American Exploration & Production Council. He also serves on the board of the American Petroleum Institute. He was vocal in the fight to lift the crude oil export ban, testifying before the Senate Banking Committee in 2015. He also has appeared on CNBC with Brian Sullivan and Jim Cramer.

In terms of honors and awards, Hart Publishing recognized Rick as the industry's 2017 Executive of the Year; the Houston Association of Petroleum Landmen named Rick as its 2017 Permian Basin Leader of the Year; Institutional Investor has honored Rick as one of the best CEOs in the Midcap E&P space; and Oil & Gas Investor hailed WPX's first acquisition in the Permian Basin as its 2015 Deal of The Year.

Rick has nearly 40 years of upstream and midstream experience. He has a bachelor's degree in petroleum engineering technology from Oklahoma State University. Prior to WPX, he had a variety of leadership & technical roles at Continental Resources, ConocoPhillips, Burlington Resources and their predecessors.

He is a member of the Tulsa Chamber of Commerce, serves on the National Advisory Board for Gilcrease Museum and is an active participant and supporter of Columbia University's Center on Global Energy Policy.

Kelly Ogle News Anchor, KWTW

Kelly Ogle anchors News 9 at 5, 6 and 10 p.m. and shares his opinion on issues affecting the state in his Emmy winning segment “My 2 Cents” during the 10 p.m. Newscast. A nationally respected and honored Newscaster, Ogle won the Best Anchor award from the National Academy of Television Journalists in 1999.

Ogle was the recipient of an Edward R. Murrow Award for coverage of the 2009 “Oklahoma Tornadoes.” During his years with News 9, his investigative reports have been recognized as the best in the field by the Society of Professional Journalists in 1994 and the Oklahoma Associated Press in 1996. During his “You Paid For It” reports, Ogle chronicled wasteful spending of taxpayers’ dollars by Oklahoma state government. He also anchored News 9’s award-winning coverage of the Timothy McVeigh trial.

Ogle is a graduate of Oklahoma State University with a bachelor’s degree in journalism and a minor in political science. He is the son of the late Jack Ogle, one of Oklahoma’s most famous broadcast journalists and member of the Oklahoma Journalism Hall of Fame. His two brothers also work in Oklahoma’s broadcast industry.

Ogle considers his family his best work. He and his wife have four children, all named after Oklahoma towns. In 2001, Ogle was honored with the Don Bodard Friend of Youth Award for “Kelly’s Kids.” Ogle is also an avid golfer, woodworker and yardman.

The list of spring 2019 degree candidates was prepared before final grades were reported, and inclusion herein does not constitute evidence of graduation. Final action to ensure an accurate listing of names of all persons qualified for degrees could not be compiled before this program went to print. The listing of a name in this program should not be construed as an indication that the person will in fact receive a spring 2019 degree from Oklahoma State University at this commencement. Conversely, the absence of a student's name from this list does not necessarily mean the person will not be awarded a degree. Final certification of degree and academic distinction will be made by the Colleges and the Registrar after candidates have completed all degree requirements.

GRADUATION WITH DISTINCTION

The following final grade-point-average distinctions are determined at degree completion and will appear on undergraduate diplomas and transcripts:

Summa cum laude	3.90-4.00
Magna cum laude	3.80-3.89
Cum laude	3.70-3.79

Degree Abbreviations:

BA	Bachelor of Arts
BAR	Bachelor of Architecture
BEN	Bachelor of Engineering
BFA	Bachelor of Fine Arts
BLA	Bachelor of Landscape Architecture
BM	Bachelor of Music
BS	Bachelor of Science
BSAE	Bachelor of Science in Aerospace Engineering
BSAG	Bachelor of Science in Agricultural Sciences and Natural Resources
BSBA	Bachelor of Science in Business Administration

Additional Fall 2018 Degree Recipients

OSU fall degree candidates are invited to participate in the OSU fall commencement ceremony, and their names are listed in the fall commencement book. However, because the fall commencement book goes to print shortly after November 1, it is not possible to include candidates who apply for graduation after that date. This section recognizes these degree recipients, some of whom participate in today's ceremony.

ACADEMIC REGALIA

The robes, hats and hoods worn by faculty members and graduates as they march into the commencement hall, and even the different colors you see on them, have historical origins and significance.

During the Middle Ages, scholars at the earliest English and European universities wore wool or fur garments to stay warm in the drafty, stone buildings that were poorly heated. Most of the scholars were also monks or priests, and as such had the hair shaved from the crowns of their heads in the distinctive clerical tonsure. Most wore cloaks that included a hood that could be pulled up to keep their heads warm. The academic gowns and hoods were adapted from both secular and clerical garments of the time, and the hood was chosen by the early scholars to indicate by color, trim or binding the degree held by the wearer.

The style of academic dress most frequently worn in the United States dates back to colonial times, although it was not formally adopted until near the end of the 19th Century, when it was chosen as appropriate attire by the Intercollegiate Commission during a meeting in New York. It has remained the general standard in America since, although some variations occur at individual institutions. In the United States, black is the traditional color for academic gowns, although some institutions allow holders of doctoral degrees to wear robes in the university's colors.

The sleeves of the robes vary, depending on the degree held by the wearer. The bachelor's robe has long, pointed sleeves. The master's robe has sleeves that are oblong and closed at the ends, with slits through which the arms may be extended. The doctoral robe has a full sleeve with a velvet facing on the front and at the neck, and three velvet bars on each sleeve. The velvet may be black or of a color that symbolizes the degree held by the wearer.

The head covering most commonly used in the United States is the square, tasseled "mortarboard." Some American universities, however, use berets, and in other countries a variety of styles of head coverings is worn with academic regalia. The tassel is usually black and is worn over the left front quarter of the mortarboard. Holders of doctoral degrees may wear gold tassels.

The hood is the most distinctive feature of American academic dress, which through color and design may indicate the wearer's degree and the institution at which that degree was earned. Hoods are lined with the colors of the institution that awards the degree, and may be faced with the color designating the degree awarded. Hoods vary in length. The bachelor's hood is about three feet long, the master's slightly longer and the doctoral version is longer still and is decorated with broad color panels. Candidates for advanced or professional degrees wear hoods symbolic of the degree. The color of the trim of the hood and the sleeve chevrons and panels of the academic gown are distinctive of the degree as follows:

<u>Degree:</u>	<u>Gown:</u>	<u>Hood:</u>
Doctor of Philosophy	Black Velvet Panels	Blue Velvet Collar and Sleeve Chevrons
Doctor of Education	Light Blue Velvet	Light Blue Collar Panels and Sleeve Chevrons
Doctor of Osteopathic Medicine	Kelly Green Velvet	Kelly Green Velvet Collar Panels and Sleeve Chevrons
Doctor of Veterinary Medicine	Steel Gray Panels	Steel Gray Collar and Sleeve Chevrons
Master of Arts	White Collar	
Master of Science	Golden Yellow Collar	

The colors of Oklahoma State University are embodied in the lining of the hood (orange and black chevron). The colors of the hoods of faculty and guests are those of the institution conferring the degree.

In addition to the academic regalia described above, some students wear cords, sashes, ribbons, and other symbols of heritage or achievement in academics, service, and leadership.
