Student Services

Career Services
Pamela Ehlers, EdD—Director
Career Services offers career-related assistance and educational programming to OSU students and alumni through a network of career services offices located in academic colleges as well as in the OSU Student Union.

Staff members assist students in exploring careers and academic majors, learning how to obtain part-time jobs through résumé assistance, part-time online job listings, and specialized annual career fairs, including the Part-Time and Volunteer Fair and the Summer Camp Fair. Additionally, students receive support with other options, including service learning, job shadowing, leadership, and volunteer experiences to build the skills necessary for future employment.

Career developmental activities, including help in finding an academic major, are facilitated by Career Consultants available in every career services office. Career Consultants assist students through the use of career assessments, one-on-one appointments to discuss assessment results, and career and academic major research. Students can also explore internships, full-time employment, and graduate education experiences. Staff members can assist students and alumni by offering individual consultations, job search exploration assistance, career development workshops, mock interviews, and specialized programming.

Electronic job search assistance is also available through the departmental website HireOSUgrads.com. This site allows students and alumni to access the Hire System, where employers interested in OSU students and graduates post opportunities for full-time jobs, internships, federal work-study positions, part-time jobs, and co-ops. On-campus interviews and employer information session details are also available on the Hire System. Additionally, job search and preparation tools such as interviewStream, The Big Guide to Living and Working Overseas, myvisajobs.com, and many other job search resources and assessments are available on HireOSUgrads.com.

Details on every step of your decision-making process, from beginning the search through graduate school selection or salary negotiation are available on the website.

Campus wide career fairs are held at least once each semester for students and alumni. These events are excellent opportunities to network with potential employers and learn about specific career options regarding full-time positions, internships, co-ops, and graduate schools. To prepare for the career fairs, please stop by a Career Services office, visit with a Career Consultant and pick up your free résumé paper and thank you notes. Portfolios and business cards are also available at a discount for student use at the Career Services office located at 360 Student Union.

Information Technology
Darlene Hightower—Chief Information Officer
Information Technology (IT) facilitates the success of students, staff, and faculty through IT services. IT runs the centralized administrative technology systems for the OSU/A&M System in addition to providing for the technology needs on the OSU Stillwater campus.

OSU Technology Resources for Students. OSU’s Information Technology (IT) provides a variety of technologies to support the progress of students. Some of the technology services include email, software downloads, wired and wireless network access, computer labs, remote printing, learning technologies, and extensive help desk support.

Access. Students must first set up their Orange Key (O-Key) account and get their OSU ID card to access Information Technology resources. O-Key, the identity management system, is the central element for managing records and accessing resources. Some sites, such as the Online Classroom (oc.okstate.edu), require students to be enrolled in courses as well. Current O-Key information (that includes a current password – passwords expire every 120 days) is used to log into most okstate.edu online sites. ID cards are used to enter the Colvin Recreation Center, enter controlled-access doors (if authorized), and check out library materials. It can be used to make on-campus purchases, which charge to the student’s Bursar account.

Email Services. All students receive an @okstate.edu email address. The university sends official email to this address. Upon graduation, students may keep their @okstate.edu email account. Students can choose to use primarily either Cowboy Mail (Microsoft 365) or Orange Mail (Google Mail) while retaining access to the features of both systems.

Network Access. Wireless access is available in most areas of campus, as specified at it.okstate.edu/Students/documents/OSUWiredAccess.pdf. Wireless access is available in all of the University Apartments and the majority of, but not all, dorm rooms as IT technicians are in the second year of a three year project to provide wireless access in every room. Students use their O-Key username and password to sign into the OSU/STUDENT wireless network.

IT Computer Labs. IT provides four computer labs for student use. These labs have desktop computers, scanners, and printers. Their locations include the Cameron Building 406 – 408, Bennett Hall B19, Kerr-Drummond Mezzanine, Mathematical Sciences (MS) 108. See labs.okstate.edu for more information.

Remote Printing. Students can use Remote Printing to send a print job from their computer to any of the remote printers in selected residence halls, the Student Union, or an IT computer lab. Students have six hours to pick up their print job from the location associated with a driver that has to be installed on the individual’s computer.

Software Distribution Center. Students can obtain selected Microsoft and other software products by signing in to the Software Distribution Center at it.okstate.edu/sdc with their O-Key credentials. The cost of this software is covered by the Student Technology fee.

IT Learning Technologies. The Online Classroom at oc.okstate.edu is the host site for the course management system Brightspace, formerly known as Desire2Learn. Instructors may use the Online Classroom to post course materials such as syllabi, lecture notes, reading assignments, videos, and links. Other learning tools include Discussions, Dropbox, and Quizzes. Some instructors use the Respondus Lockdown Browser, a technology designed to minimize web browsing and texting during quizzes. Instructors may use Turnitin, a software created to electronically detect plagiarism. Turning Technologies Audience Response Solutions, or “clickers,” is a specialized in-class technology some instructors use to engage their students.

IT Helpdesk. The walk-in help desk service, in 113 Math Sciences, is where students can get help at no charge to resolve issues such as software installation, malware removal, wireless and email set up on phones, and more. IT technicians are not permitted to work on computer hardware.

IT Helpdesk phone support is available to students and the OSU community. Every attempt is made to resolve issues upon first contact. The IT Helpdesk documents each contact for efficient and timely resolutions. Availability of phone support is from 7:00 a.m. until midnight M-F during fall and spring semesters. Information on weekend and summer hours can be found at help.okstate.edu. Questions or comments by email to helpdesk@okstate.edu. Search for answers to common questions at 4help.okstate.edu.

Parking and Transportation Services
Steve Spradling—Director of Parking and Transportation Services
Jan Herandez—Manager, Parking and OrangeRide Bicycle Rental and Repair
Tom Duncan—Manager, Transportation Services

Vehicle Registration and Parking Regulations. Any motor vehicle parked on University property between the hours of 5:00 am and 5:00 pm, Monday through Friday, must display a valid OSU paid parking permit or pass. The color and type of permit indicates the area where the vehicle may be parked. Use of a motor vehicle on University property is a privilege, not a right, and is made available only under the policies established in the University Parking and Traffic Regulations manual currently in effect. Any vehicle driven or parked on the campus of the University by an OSU student or employee should be registered with the OSU Parking Services.

The purpose of these regulations is to expedite the safe and orderly conduct of University business and to provide parking facilities in support of that function within the limits of available spaces. Purchase your permit online at www.parking.okstate.edu; new faculty or staff, vendor, handicap, university vehicle, carpooling, retiree, construction, registration or special permits must be purchased in person at the Parking and Transportation Services office. A copy of the OSU Parking Rules and Regulations booklet is available from the Parking Services office, 1006 West Hall of Fame on the corner of Monroe and Hall of Fame; or view online at www.parking.okstate.edu.

Bicycle registration with the OSU Department of Parking and Transportation Services is advantageous in the event the bicycle is stolen or lost. When bicycles are recovered by the department they are checked against bicycle serial numbers maintained in the registration files for return of the bicycle to the rightful owner. Permits are free of charge and can be obtained in-house or online (shipping fees will apply). Prior to obtaining a permit you are required to review safety guidelines before registering your bicycle. You can view the tutorial, and take the quiz online at http://stillwater.sharepoint.okstate.edu/Training/BicycleSafety/default.aspx.

Tulsa Shuttle. BOB, OSU's Big Orange Bus, is a shuttle service between the Stillwater and Tulsa campuses. There are three round trips daily from each campus Monday - Thursday; seven round trips on Friday. It is open to current students, staff and faculty and is now open to the public. Housing and Residential Life
Vacant—Director of Residential Life
Shannon Baughman—Associate Director of Operations: Conferences, Facilities, and Marketing
Elizabeth Carver-Cyr—Assistant Director, Family and Graduate Student Housing
Deborah Gordon—Assistant Director, Residential Life
Jon Hunt—Assistant Director, Administrative & Business Services
Marcy Louis—Assistant Director, Residential Life
Tanya Massey—Assistant Director, Programs and Development

The Department of Housing and Residential Life offers 36 residence halls, six family-first neighborhoods, several special interest housing options, and countless leadership activities for students. Students who live on campus graduate sooner and maintain higher grades than their off-campus counterparts. More than 500 students are involved in planning and leading educational, recreational, and social activities within the halls.

Freshmen are required to live in campus approved housing. Students are expected to comply with this University policy. Students who are required to live on campus will automatically be billed and assigned if they fail to submit a housing contract. Should there be a need to verify verification and authorization by the university, students will be given permission to live off campus provided any one of the exemption categories listed is satisfied:

- A student is residing and continues to reside in the established primary residence of her/his parents (or legal guardian) if it is within a 30-mile radius of OSU. The parents must have established their primary residence at least six months prior to the request for an exemption. Legal guardianship must have been established by the court of law at least one year prior to a request for an exemption in order to be considered.
- A student is married or has dependent children living with the student;
- A student is 21 years of age or older on or before the first day of classes of the initial semester of enrollment;
- A student has successfully completed 28 or more hours of academic credit prior to the student’s enrollment or re-enrollment. Credit earned by exam (Advanced Placement, CLEP, ACT, SAT) and hours received from concurrent high school credit are not considered.
- A student has served in active military service, as verified by a discharge certificate (DD214).
- A student presents sufficient evidence of an extreme medical condition, as documented by her/his treating physician for which on-campus accommodations cannot be made. Click here to download a copy of the Medical Hardship form.
- A student presents sufficient evidence of an extreme financial hardship condition based on similar guidelines as for Financial Aid. Click here to download a copy of the Financial Hardship form.
- A student presents sufficient and satisfactory evidence of extreme or unusual hardship that will be intensified by living in the residence halls.

All accommodations are rented on a contract date priority basis. While there is no deadline to apply for housing, prospective students are encouraged to return their applications and contracts at least nine months before the desired occupancy. This will improve the chances of receiving the preferred on-campus housing location.

Traditional Halls, Suites and Apartments. OSU offers four living styles to choose from when picking a place to live: traditional halls, suites, and apartments offer a variety of living accommodations.

Traditional residence halls include Drummond, Iba, Parker, Stout, and Wentz Halls. The newest addition to campus is University Commons - three modified traditional buildings offering housing for women in North University Commons, men in South University Commons, and co-ed housing in West University Commons. Six suite buildings make up the area referred to as The Village.

Units are also offered in Bennett, Allen, Booker, Jones, Patchin, Stinchcomb, and Zink Halls. Apartments can be found in Bost, Carreker East, Carreker West, Davis, Edgemont, Monsmar-Smith, Payne-Ellis, Peterson-Friend, Stilington, and Young Halls.

All halls are open continuously throughout the academic year. Year round housing (9-month academic contract plus a summer contract) is available as well.

Studies show that living on campus can be more affordable than living off campus. Some students save as much as $500 per academic year by living on campus. Just one bill pays for a student’s rent, meal plan, and all utilities including cable TV and Internet connection. Rates rarely increase during the academic year, even when roommate(s) move out.

Students are offered several lifestyle options. South University Commons houses women only, while North University Commons houses women only.

All other halls are co-ed. Residential Life offers numerous Living Learning Communities for students to consider when choosing their housing options. The LLCs are developed as partnerships and provide housing, programming, and faculty interactions based on major or area of interest. A complete list of all Living Learning Communities may be found at www.reslife.okstate.edu.

In every residence hall there is a well-trained, professional staff member to coordinate the day-to-day operations of the building, as well as student staff whose primary function is to see that students benefit educationally from their residential living experience. Each floor or wing has a live-in student staff member, the Resident Advisor, who is responsible for assisting and guiding the residents. Student staff members are undergraduate students specially trained in all aspects of residential area living with the experience and knowledge to answer questions and act as an advisor for student governments and programs.

Family and Graduate Student Housing
Almost 600 apartments are available to serve students in the following priority: families, single graduate students, and single, upper class, undergraduate students. Priority is given to those single students who have lived in the residence halls.

Apartments are two-bedroom units with optional furnishings. The apartments have sidewalks, off-street parking, play areas, and two community laundry facilities.

School bus transportation is provided to the Stillwater High, Junior High, and Middle schools, and to Westwood and Will Rogers elementary schools.

The Family Resource Center, located in the Family and Graduate Student Housing area, offers a variety of programs to meet the needs of the residents. These programs vary depending upon the needs of the clientele. Typical programs include: English as a Second Language class (ESL), after-school programs, children's programs, as well as cultural and social gatherings.

Family and Graduate Student Housing provide an on-site staff member, an Apartment Assistant (AA), who is readily available to the residents. Each AA's duties include helping residents resolve conflicts, meet neighbors and find appropriate community services. They also provide information about the facilities and the University, and provide referrals to appropriate University offices for residents' needs. The AA can be a very helpful person for all residents.

To read more about the types of housing offered, compare options and rental rates, and take a 360 degree virtual tour, please visit the website at www.reslife.okstate.edu. For further information or questions, please contact the OSU Housing and Residential Life Office, Iba Hall, Stillwater, OK 74078, 405.744.5592.

Mobility Impaired Student Housing
All types of residence halls and many Family and Graduate Student apartments offer some housing for students who have impaired mobility. Upon notification, the Department of Housing Residential Life routinely modifies rooms and apartments to meet an individual's special needs. This modification may take several months, so advance notification is critical.

Americans With Disabilities Act (ADA) Compliance Program

Office of Equal Opportunity

OSU is committed to improving the full and nondiscriminatory participation in all aspects of campus life for individuals with disabilities. Considerable progress has been made to enhance ADA access to OSU programs, services, facilities and grounds. Students with disabilities are encouraged to help with such efforts by identifying and reporting barriers and other access issues encountered throughout the University Community to the Office of Equal Opportunity. Any student who believes they have experienced discrimination on the basis of a disability can seek resolution through the Equal Opportunity Officer. For more information, contact the Office of Equal Opportunity, 408 Whitehurst, 405-744-9153, email address seo@okstate.edu.

Student Disability Services

Isabel Medina Keiser—Coordinator

Student Disability Services (SDS) at Oklahoma State University offers academic support to students with disabilities attending the Stillwater campus. Student Disability Services is committed to providing a community that ensures full participation for students. Additionally, Student Disability Services is a resource for faculty and staff members. Appropriate services are determined on an individualized basis and may include academic advisement, specialized testing, accessible textbooks, classroom access, assistive technology, and other services based on disability-related need. Students must initiate a request for services by contacting Student Disability Services at 315 Student Union, 405-744-8976, fax 405-744-8380. In addition, students may exercise certain ADA appeal “rights” if dissatisfied with student services and/or their academic accommodations (forms and procedures will be made available as requested).

University Health Services

Chris Barlow, MHA—Director

Oklahoma State University is as interested in the student’s physical and emotional well-being as it is in his or her intellectual and cultural development. Good health will not guarantee academic success, but it will help; while poor health, either physical or emotional, can impair both the academic and the extracurricular career.

University Health Services maintains a staff of full-time physicians, nurses, laboratory technologists, pharmacists, x-ray technicians, and other necessary support personnel who make a specialty of providing the best possible care at the least possible expense for the student. University Health Services is an ambulatory primary care facility, designed to provide cost-effective, physician-directed health care to students. Laboratory, x-ray, and pharmacy and elective services are provided on a fee for service basis. In the event a medical condition exists that is beyond the scope of the services offered, referrals can be made to a family physician or a local physician in Stillwater. Emergency services are offered by Stillwater Medical Center 24 hours a day. University Health Services is fully accredited by the Accreditation Association for Ambulatory Health Care.

Health Requirements. All new students are required to complete the OSU Health History and Immunization form. Oklahoma law requires that students report their compliance with certain required immunizations; specifically measles, mumps, rubella, hepatitis B, and meningitis. Information about the requirements for compliance is explained in detail on the OSU Health History form that is available for download from the Internet at http://uhs.okstate.edu. Failure to comply with these guidelines may prevent future enrollment.

Tuberculosis Testing International Students. All international students are required to be screened for tuberculosis prior to being allowed to complete initial enrollment. This screening may be conducted at University Health Services. If screening indicates that TB testing be performed, the student will be responsible for the cost of testing. No tests from outside the US will be accepted. A chest x-ray film from outside the US does NOT satisfy this requirement.

Tuberculosis Testing Domestic Students. Domestic students who meet any of the following criteria need to be screened for tuberculosis:

- Students who have resided outside the U.S. for more than eight weeks continuously or
- Students with a health/medical condition that suppresses the immune system or
- Students with known exposure to someone with active tuberculosis disease.

For more information contact University Health Services, 1202 West Farm Road, Oklahoma State University, Stillwater, Oklahoma, 74078, or download the form from the Internet at uhs.okstate.edu.

Mandatory Health Insurance for Non-Immigrant Students

The Oklahoma State University Board of Regents requires that non-immigrant students maintain health insurance as a condition of enrollment. The premium
for the Student Health Insurance Plan will be included with tuition and fees for all non-immigrant Oklahoma State University Students. Please note that Oklahoma State University Human Resources no longer accepts insurance waivers (even for those who have already purchased their own health insurance). All international students will be enrolled in the university’s insurance. Questions regarding plan details and pricing should be directed towards Oklahoma State University Human Resources.

The insurance premium will be waived for students who provide documented evidence of health insurance coverage, including medical evacuation and repatriation, by an existing plan whose plan meets the standards of the Patient Protection and Affordable Care Act. Nonimmigrant students employed by OSU and eligible for the OSU employee insurance plan will not be covered by the student plan. Documentation of health insurance through OSU as an employee of OSU must be presented to Oklahoma State University Human Resources. Students employed by OSU as either Graduate Teaching Assistants or Graduate Research Assistants must receive the Student Insurance Plan as part of their assistantship. Please inquire about that with the academic department in which the assistantship is located.

If you have an appointment as an OSU Graduate Teaching or Research Assistant, OSU provides the student health insurance policy for you. You will be required to submit a request for waiver. Waivers are required to be submitted by the end of the fifth day of classes. Waiver forms can be found at: http://iss.okstate.edu/.

Lectures
Oklahoma State University, through its academic organizations and academic units, has a significant number of speakers each year, enriching the intellectual life of campus. It’s important to note that both off-campus and on-campus, share their expertise with faculty, students, staff, and town’s people on a wide variety of topics.

Many of the academic units as well as student groups invite speakers to their meetings in order to enhance the educational component of the University. These lectures are generally of interest to specific academic areas, rather than to the general campus.

The Student Government Association, through its Speaker’s Board, brings major figures in politics, entertainment, and business to the campus. The Student Union Activities Board also has a speaker’s program related to topics of general student interest. The 18 religious centers have strategic locations close to campus and, in addition to their own ministry, coordinate many of their efforts with each other, other campus religious organizations and the University administration through the Interfaith Council.

Service Learning Volunteer Center
Since the Service-Learning Volunteer Center’s inception in 1984, Oklahoma State University students have served at hundreds of non-profit agencies, building a reputation of civic responsibility within higher education and other communities in Oklahoma. Working together toward a common goal, the Service-Learning Volunteer Center has had an impact on communities worldwide. The focus of the Service-Learning Volunteer Center is to provide OSU students with opportunities that reflect academic needs and personal interests. Working with local, state and national non-profit agencies, students at Oklahoma State University are provided with opportunities to grow and excel through meaningful hands-on involvement in service, research and academic activities. Through information sessions and an annual service-learning fair, a traditional fall event, the Service Learning Volunteer Center keeps students informed about upcoming events and needs in the local community. Through service-learning, students learn and develop through active participation in thoughtfully organized service experiences that meet actual community needs. The Service-Learning Volunteer Center continues to enrich lives of our community members through intergenerational and interpretive service projects. It is only through the exceptional spirit of volunteerism at Oklahoma State University that the SLVC records immense success in its programs and activities. With more than 230,000 hours of community service recorded, we continue to set and reach new goals.
