

Fall 2017 Final Exam Schedule

How to read this chart:

- Each block contains a regular semester class day/time (Ex: MWF 8:30).
- Locate the time of your regular class within the blocks, then refer to the left edge and top edge of the chart (in orange) to determine when your final exam will be held. For example, if your class meets regularly on MWF at 9:30am, your final will be Monday, Dec 11 from 8:00-9:50am.
- Exceptions: Some courses have common final exams, which means all sections of a given course take the final at the same time, regardless of when your section is regularly held. For example, all BIOL 1114 sections take the final on Monday, Dec 11 from 12:00-1:50pm.
