

DUAL LEVEL CREDIT APPROVAL FOR ACCELERATED MASTERS DEGREE PROGRAM COURSES

INSTRUCTIONS: Undergraduates admitted to an approved OSU accelerated master's degree program may utilize a limited number of graduate credit for both a baccalaureate degree and graduate degree (see UAR 4.7 and section 11.15 of the Graduate College section of the catalog). In order to have courses pointed toward a student's Undergraduate and Graduate levels, the Program Coordinator of the student's College should complete Sections 1 and 2, obtain the student's undergraduate advisor's signature and the student's signature, then submit it to the Graduate College for approval. The form must be submitted to the Office of the Registrar prior to the start of the term. While registration in such classes will count toward a student's overall registration time status (ex: full-time enrollment), they may not be recognized as counting toward a baccalaureate degree program until after the semester is over and a final grade has been submitted.
