

ENROLLMENT CERTIFICATION REQUEST

Enrollment certification letters are official verification from the University of your enrollment status at Oklahoma State University. These letters can assist in verifying your enrollment status to insurance companies, lenders or other agencies. A standard enrollment certification letter includes the student's name, destination address, OSU FICE code and a summary of the student's enrollment history for the term(s) requested. Other information that can be provided upon request includes the student's cumulative graduation/retention GPA, semester GPA and good academic standing. Enrollment certification requests will be fulfilled within approximately two business days.
