

Fall 2020 Final Exam Schedule – Updated November 5, 2020

How to read this chart:

- Each block contains a regular semester class day/time (*Ex: MWF 9:30*).
- Locate the time of your regular class within the blocks, then refer to the left edge and top edge of the chart (in orange) to determine when your final exam will be held. *For example, if your class meets regularly on MWF at 9:30am, your final will be Monday, December 7 from 8:00-9:50am.*
- Exceptions: Some courses have common final exams, which means all sections of a given course take the final at the same time, regardless of when your section is regularly held. *For example, all CHEM 1215 sections take the final on Friday, December 11 from 12:00-1:50pm.*

Fall 2020 Final Exam Guidance: When planning final exams, faculty are encouraged to consider more flexible options when possible. Instructors who elect to follow the final exam schedule below are asked to design the exam to be completed in less than the 110 minutes allotted to allow for slower internet connections, Examiity sign in processes, and other potential technical issues. Instructors may wish to provide a window of time for the completion of exams (e.g. must be completed within 90 minutes after the student begins the exam in Canvas) and can utilize proctoring through Examiity. Alternative exams such as "open-book" or take-home, projects, papers, etc. can be due the day of the scheduled final exam.

The Registrar has added final exam meetings to student class schedules according to the published final exam schedule. Instructors who elect a more flexible final exam/assessment option must communicate those details directly to their students. Please visit the following website for more information on Examiity online test proctoring: <https://itle.okstate.edu/online-test-proctoring.html>.

		TIME OF THE FINAL EXAMINATION						
		8:00-9:50am	10:00-11:50am	12:00-1:50pm	2:00-3:50pm	4:00-5:50pm	6:00-7:50pm	8:00-9:50pm
