## **GEOGRAPHY, BS**

## **Example Plan of Study**

## Finish in Four Plan of Study

The plan below is an example of how students can successfully complete degree requirements in four years. This suggested class schedule plan may be used as a guide and can be adjusted based on individual needs. Students are required to meet with an academic advisor prior to enrollment each semester to plan their class schedule, and students are ultimately responsible for completing all degree requirements.

Course	Title	Hours
Freshman		
Fall		
MATH 1483	Mathematical Functions and Their Uses (Q)	3
or MATH 1513	or College Algebra (Q)
