Category II (Capstone Design): 2

MAE 4374	Aerospace System Design	
	Engineers	
MAE 4354	Aerospace Systems Design for Mechanical	
MAE 4344	Design Projects	

Upper Division Elective Requirements

3 hours of MAE electives to be selected from the following list, or from courses in the Category I listed above, but not used to satisfy the category requirement:

_	_		
Н		58	
	MAE 4733	Mechatronics Design	
	MAE 4583	Corrosion	
	MAE 4333	Mechanical Metallurgy	
	MAE 4313	Advanced Processing of Engineered Materials	
	MAE 4273	Experimental Fluid Dynamics	
	MAE 4063	Mechanical Vibrations	
	MAE 4053	Automatic Control Systems	
	MAE 4010	Mechanical and Aerospace Engineering Projects	
	MAE 4003	Introduction to Autonomous Systems	
	MAE 3293	Fundamentals of Aerodynamics	
	MAE 3253	Applied Aerodynamics and Performance	
	MAE 3223	Thermodynamics II	
	MAE 3123	Manufacturing Processes	
	MAE 3033	Design of Machines and Mechanisms	

1

Total Hours

MAE requires grades of "C" or better for any course that is a pre-requisite or co-requisite to a required course on the degree plan.

130

2

Grades of "C" or higher in all Upper Division Major Requirements courses and ME Realization Category course and Capstone Design Category course.

Graduation Requirements

- A "C" or better is required in each course taken that is designated with footnote 1 or footnote 2.
- The major engineering design experience, capstone course, is satisfied by MAE 4344 Design Projects or MAE 4354 Aerospace Systems Design for Mechanical Engineers or MAE 4374 Aerospace Systems Design.

Additional State/OSU Requirements

- At least: 60 hours at a four-year institution; 30 hours completed at OSU; 15 of the final 30 or 50% of the upper-division hours in the major field completed at OSU.
- Limit of: one-half of major course requirements as transfer work; onefourth of hours earned by correspondence; 8 transfer correspondence hours
- Students will be held responsible for degree requirements in effect at
 the time of matriculation and any changes that are made, so long as
 these changes do not result in semester credit hours being added or
 do not delay graduation.

 Degrees that follow this plan must be completed by the end of Summer 2030.
