## REQUEST FOR CLASS CHANGE OFFERING WITH CURRENT STUDENT ENROLLMENT

(Page 1)

1/21/2022

Schedule changes for classes in which students have already enrolled must be approved by the Department Head, Associate Dean for Instruction and the Vice Provost. They must explain why they must change the time of the class and send assurances that they will contact each student in the class and review student schedules. Schedule changes which introduce a new calendar, time, class length or format deviation from the regular calendar format of official class times must also complete page two.
