# Fall 2017 Final Exam Schedule

**How to read this chart:**
- Each block contains a regular semester class day/time (Ex: MWF 8:30).
- Locate the time of your regular class within the blocks, then refer to the left edge and top edge of the chart (in orange) to determine when your final exam will be held. For example, if your class meets regularly on MWF at 9:30am, your final will be Monday, Dec 11 from 8:00-9:50am.
- **Exceptions:** Some courses have common final exams, which means all sections of a given course take the final at the same time, regardless of when your section is regularly held. For example, all BIOL 1114 sections take the final on Monday, Dec 11 from 12:00-1:50pm.

### Exam Legend /Additional Exam Information:
- Early Evening Exams – Classes that begin at or after 4:00pm, but before 6:00pm.
- **Night Exams** – Classes that begin at or after 6:00pm.
- Exam Locations – with the exception of common finals, the location of the final exam is the regular meeting place of the class.
- Saturday Classes. Exams for classes meeting on Saturday will be held on the Saturday morning at the end of finals week (time determined by instructor).

Final exam schedule is subject to change (check [http://registrar.okstate.edu/exams](http://registrar.okstate.edu/exams) close to final exam week for updates)
